

6th Edition of Dubai Helishow 2014 announced for 4th – 6th November 2014

One and Only Exhibition in the Middle East for the Helicopter Industry

United Arab Emirates, Dubai, September 16, 2014: The Domus Group, a leading international exhibition specialist based in Dubai, has announced the dates for the much awaited Dubai Helishow 2014, held under the patronage of His Highness General Sheikh Mohammed bin Rashid Al Maktoum, Ruler of Dubai, Vice President and Prime Minister of the United Arab Emirates. Taking place from the 4th to the 6th of November 2014, the sixth edition of this biennial Helicopter Technology & Operations Exhibition will be hosted within the inspiring settings of the Grand Stand, Meydan Hotel, Dubai.

Covering the commercial, civil defense and military helicopter sectors, the Dubai Helishow is the industry's third largest exhibition in the world and a one of its kind show within the region. Industry experts from around the world, including key helicopter manufacturers and technology suppliers from the region and worldwide, convene at the Dubai Helishow to share and showcase the latest technology advancements and industry developments.

The previous edition, held in 2012, received a successful response, which reaffirms the Middle East's status as an emerging global market and an ideal platform to meet and connect with local prospects.

While the Dubai Helishow 2014 has already received over 80 confirmations from exhibitors around the world, this year's edition will also display the latest developments in Security Products & Services, and Air Medical & Rescue sectors, highlighting the evolution of this specific industry zone.

Dubai Helishow will also feature three high level Presentations which will be conducted by **Mr Robert Libby**, who owns and operates Advanced Helicopter Training, a division of Advanced Aero Marine Systems Ltd; **Mr Bruce Gullingsrud**, Vice-President of Sales at Rotorcraft Services Group; and **Ivan Kristoff**, Aviator, Rescuer and Rope Access Expert in vertical and aerial operations. These presentations are available to all delegates FREE of charge.

Mr. Ahmad Abulhoul, Managing Director of Domus Group, said, "We are extremely pleased to announce the sixth edition of the Dubai Helishow. As a regional and global landmark, Dubai is ideally positioned to conduct a trade exhibition of this significance. With well-established infrastructure, the city has been growing as a tourist, commercial and trade destination, and continues to rise on an optimistic trend. Building on the last edition's achievements, we are looking forward to an increase in the participation of both, exhibitors and visitors, and of course, hope to see more success than ever before."

###

About the Dubai Helishow

International Helicopter Technology & Operations Exhibition, popularly known as the Dubai Helishow is a biennial exhibition which is celebrated as the only one of its kind for the helicopter industry in the entire Middle East region. First launched in 2004, the event turned out to be an instant success by attracting over 2,500 industry visitors representing 20 countries including high-powered key delegations from the Gulf Co-operation Council (GCC) countries. Entering its 6th edition, Dubai Helishow 2014 will be held under the patronage of HH Sheikh Mohammed Bin Rashid Al Maktoum, Vice President & Prime Minister of UAE and Ruler of Dubai, from 4th to 6th November 2014 at the prestigious venue of the Grand Stand, Meydan Hotel, Meydan Racecourse, Dubai - UAE
