

## Dubai Helishow 2014 aims at expansion of Homeland Security Products & Services

*The Exhibition to witness the presence of key helicopter players from across the world*

**United Arab Emirates, Dubai, October 8, 2014:** The Domus Group, the leading international exhibition specialist based in Dubai, has announced the key focus of the much awaited Dubai Helishow 2014. The exhibition will focus on the **Homeland security products and services on display** that are aimed at protecting a Nation's citizens from external or internal threats. The Dubai Helishow is held under the patronage of His Highness General Sheikh Mohammed bin Rashid Al Maktoum, Ruler of Dubai, Vice President and Prime Minister of the United Arab Emirates.

Helishow which is scheduled from 4th to the 6th of November 2014, is the sixth edition of the biennial Helicopter Technology & Operations Exhibition. The exhibition will showcase key helicopter companies from across the globe including Russian Helicopters, AAL Group Ltd, Petroleum Air Services, Turner Aviation, Aerogulf Services, I.V.A.N KRISTOFF, Lockheed Martin Corporation, Sikorsky Aircraft Corporation, Motor Sich Middle East, A2B Aero Limited, and many more.

Mr. Ahmad Abulhoul, Managing Director of Domus Group, said, "Dubai Helishow is the 3rd largest Helicopter show worldwide. The 6th edition of the exhibition, demonstrates the success of the Show in adding business opportunities from the GCC and the MENA Region. The success of Helishow is a true indicator of the appeal of international exhibitors to the Middle East region as it is their portal to business opportunities and partnerships."

The 2012 Dubai Helishow proved to be a very promising event at Meydan where the three day exhibition concluded with heavy networking within the industry and also fruitful business development for a lot of players.

During the upcoming Helishow, AeroGulf, our exhibition partners, are offering helicopter Aerial tours from the venue this year, as the company is contributing it's expertise as the oldest commercial helicopter company in Dubai. Apart from this, the company will handle both the air and ground movements of all helicopters at the Show and work closely with the concerned team at Meydan Racecourse to ensure that the highest safety and professional standards are maintained on site throughout the event.

On this note Captain Mike Ellis, Director of Operation at AeroGulf Services Company said, "AeroGulf Services is proud to be able to serve the United Arab Emirates region since 1976 and we look forward to continuing to do so for the next 37 years and beyond."

Russian Helicopters, the main sponsors of the Dubai Helishow 2014, has been participating in this exhibition since 2008 and are one of the most promising players at the show. A key spokesperson from Russian Helicopters said, "Every time we participate in Dubai Helishow we gain the best exhibition, business and cultural experience. From our point of view, Dubai Helishow is one of the best exhibitions organizationally and in terms of business development perspectives. For the 2014 Helishow, our main purpose is to promote perspective multirole Russian made helicopters in the Middle East Region and strengthen existing partnership relations."

Continental Aviation Services, which is another key exhibitor for the Helishow 2014, is one of the oldest and fully Emirati owned aviation and military support companies in the Middle East.

Juergen Fiebig, CEO of Continental Aviation Services, said, "Continental Aviation Services WLL is pleased to return to the Dubai Helishow with our second participation. As one of the oldest Abu Dhabi based Emirati aviation support companies, we welcome another opportunity to refresh our acquaintance with existing and new customers, and to have the opportunity again to network with co-exhibitors and establish new bonds

and friendships. We hope to contribute to the show with our updated range of products and services which we feel will benefit regional helicopter owners, operators and service providers and in general promote aviation as one of the fastest growing transportation sectors in the region. Continental is confident that this year's Dubai Helishow will be even more successful with increased numbers of aviation professionals participating, in turn providing the exhibitors the benefit of valuable one-to-one contact with customers."
